DETAILED ACTION

Information Disclosure Statement

1. The information disclosure statement (IDS) submitted on December 1, 2005 was filed after the mailing date of the Notice of Allowance on September 30, 2005. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the examiner considers the information disclosure statement.
2. The information disclosure does not affect the allowability of the application therefore claim(s) 13-20 are allowed.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

CONSULTATION WITH ATTORNEY

4. Authorization for this examiner's amendment was given in a telephone interview with Warren Burnam on September 14, 2005.

AMENDMENT TO APPLICATION

5. The application has been amended as follows:
 - a) Regarding claims 1-7, cancelled.

ALLOWABLE SUBJECT MATTER

6. **Claims 13-20** are allowed.

7. The following is an examiner's statement of reasons for allowance:

Regarding claim(s) 13, 16 and 19, in combination with other limitations of the claims, the prior art does not teach a telecommunication system conforming to a layered system model comprising a service layer, a signaling layer, and a media layer, a user terminal side subscriber specific supplementary service handler element resides in the signaling layer and being operatively associated with a network side subscriber specific supplementary service executor element residing in the service layer, the user terminal side subscriber specific supplementary service handler element includes a user interface means, the network side subscriber specific supplementary service executor element being adapted to exchange via a second service path layer originating user related and destination user related service information, to detect service interaction conflict on basis of service information, to convey the call setup request.

Art Unit: 2614

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
